## Chapter 1 by Ricky Advani

"For the record, you shouldn't be here" whispered Vanessa, Well her advice wasn't very handy as I was the "Top Notch" detective of Willkasun Valley and solving crimes was my first priority. Oh I apologize, I think we aren't acquainted are we? By the way the name's Connor. I'm not the regular average joe, neither am I a scholar from the Ivy League. It seems Mr.Clark was murdered by a cleaver which dug a trench in his beloved face, of course I do have sympathies but these emotions must not control my thoughts. It doesn't seem decent for a man who's the CEO of a the Green Cross Charitable Trust with no crime reports in all his 50 years. Seems his funeral is going to be in a bit of a delay. Well I hope he can return back to his coffin after the autopsy reports show up. As for me, I think I'm gonna go and have a little chat with Ms.Clark and console her for the loss of her spouse.
